Village Wines: The entry into the world of Mosel slate. The village wines represent the new mid-segment in the winery. They grow in the southwest-exposed areas of the Thörnich Ritsch. Here, they gain the full slate mineral character of the Ritsch, an open fruitiness, and a refreshingly light character.

Description: "On the nose, aromas of lime, herbs, and spice with great scents of white fruits and mint. Despite the quite robust alcohol content of 12%, the wine remains perfectly balanced on the palate, leaving a clean feeling with a long finish. Truly a delightful wine!"

88 points (Mosel fine wines, Belgium)

"A youthful, fresh Riesling with delicate fruit notes of peach and citrus fruits. Harmonious and juicy, it is only at the beginning of its career and is likely to improve over the next two years."

(Walter Deitermann, wine merchant in Wehrle)
